To

The Board of Directors of Light Microfinance Private Limited.

- We have reviewed the accompanying statement of Unaudited Financial Results of the Light Microfinance Private Limited ('the Company') for the quarter and half year ended September 30, 2022 ("the Statement").
- This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ('Ind AS 34') prescribed under Section 133 of the Companies Act, 2013 ('the Act') as amended, read with and relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. - We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

- 4. The Unaudited financial Results of the Company for the quarter and half year ended September 30, 2022 have been subjected to limited review by the statutory auditors. The Unaudited financial Results of the Company for the quarter and half year ended September 30, 2021, audited results for year ended March 31, 2022 have been subjected to limited review by the statutory auditors prepared under previous GAAP as Indian Accounting Standards ("Ind AS') was not applicable to the Company. The figures for the quarter ended September 30, 2021 and September 30, 2022 are the balancing figure between unaudited figures for the half year ended September 30 and quarter ended June 30 respectively.
- **5.** During the half year ended September 30, 2022, the Company had completed the Listing of its 160 Non-Convertible Debentures (NCD's) having face value of Rs. 10 Lakhs per debenture at an issue price of Rs. 10 Lakhs per debenture aggregating to Rs.1,600 Lakhs. Pursuant to the same, the Company has got its NCD's listed on BSE Limited on September 30, 2022.
- 6. The Company has adopted Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act 2013 ('the Act') read with the companies (Indian Accounting Standards) Rule, 2015 from April 01,2022 and effective date of such transition is April 01,2021. Such transition has been

carried out from the erstwhile Accounting Standards notified under the Act, read with relevant rules issued thereunder and guidelines issued by the Reserve Bank of India ('RBI') (collectively referred to as 'the previous GAAP'), Accordingly, the impact of transition has been recorded in the opening reserves as at April 1,2021 and the corresponding figures presented in these results have been restated/reclassified. The opening balance sheet and the results for subsequent periods/year would get finalised along with the annual financial statements for the year ended March 31, 2023.

There is a possibility that these financial results for the current and previous periods may require adjustments due to changes in financial reporting requirements arising from new standards, modifications to the existing standards, guidelines issued by Ministry of Corporate affairs and RBI or changes in the use of one or more optional exemptions from full retrospective application of certain Ind AS permitted under Ind AS – 101.

7. As required by paragraph 32 of Ind AS 101, reconciliation of financial results to those reported under Previous GAAP is summarised as follows:

Amount in Lakhs

Reconciliation of the financial results as per	Period ended		
Previous GAAP	September 30, 2022		
Profit after tax as per previous GAAP	(1,298.57)		
Increase / (decrease) in profits due to:			
Expected credit loss on financial assets (release)	2,519.79		
Effective interest rate impact on financial assets	(437.34)

Total Comprehensive Income as per Ind AS	279.57		

Reconciliation of equity	As at September 30, 2022	
Equity as reported under previous GAAP	30,829.95	
Increase / (decrease) in profits due to:		
Expected credit loss on financial assets (release)	(406.82)

- **8.** The company operates in a single business segment i.e. lending to members, having similar risks and returns for the purpose of Ind AS 108 on 'operating segments'. The Company operates in a single geographical segment i.e. Domestic.
- 9. On derecognition of loans in its entirety upon assignment, as Ind AS 109 'Financial Instruments', the Company is required to recognise the difference between the carrying amount (measured at the date of derecognition) and the consideration received (including new asset obtained less any new liability assumed) as gain immediately in the statement of profit or loss.

The Company is of the view that the accounting treatment prescribed in Ind AS 109 inflates the income at the time of assignment and leads to reporting higher earnings per share, potentially higher dividend pay-out and improved capital adequacy ratio and will not present true and fair view of the entity's financial position, financial performance and cashflows. Therefore, the management of the Company has exercised their judgement under para 19 of Ind AS 1 'Presentation of financial statements' and has departed from the abovementioned requirement of Ind AS 109. The company is complying with the applicable Ind AS except for the particular requirement of Ind AS 109 as mentioned above. The relevant disclosure as required by para 20 of Ind AS is also disclosed in this note.

As per the current practice, such gains are recognised as 'unearned income on assigned loans' under the head 'other non-financial liabilities' as is amortised in the statement of profit and loss over the period of the underlying residual tenure of the assigned loan portfolio while related assets and liabilities are recorded at the fair value as per Ind AS requirement.

If the Company would have complied with Ind AS 109, financial impact on the following items (increase/(decrease)) in the financial statements would have been as under:
